*"Copernicus is as if the astral embodiments of Jim Morrison, Jerry Lee Lewis, Billy Sunday and Caligula had contrived to manifest themselves genetically recombined in the person of a huge middle aged hippie"*  
East Village Eye

*"One listen to Copernicus is worth 10,000 music videos"*  
Sound Choice

*"Copernicus is the quintessential rabid stand up philosopher or performance poet"*  
Ear Magazine

*"Copernicus is a genuine poet/performer whose soul screams for eternal release, and whose words are heightened by the emphatic way he delivers them"*  
C M J

*"I am glad the man is around"* Village Voice

*"Copernicus will take you on a hell of a ride"* Creem Magazine
