Fred, this is a review of Victoriaville from its organizer and should be placed with Victoriaville. Thanks. C.

Dear Leonardo,

It was really great to have Copernicus in Victoriaville this year. Great performance and very needed to this year Festival as it has been the most "provocative", "disturbing" and "controversial" concert. About 100 people where in the hall at the beginning of the concert and 50 stayed up to the end.

Not much press at the moment but I guess the international magazine will say something about Copernicus, good or bad!

We are very pleased to have presented Copernicus and personally to have talked and shaked hands with him... A great artist!

Thanks for your collaboration and keep in touch!

Have a good summer.

Yours,

Michel Levasseur
